A photograph of a highway toll plaza under a clear blue sky. In the foreground, a grey cartoon car is positioned on the left. A cartoon character wearing a blue uniform, a white cap with a green cross, and a yellow safety vest stands in the center. The character holds a red flag in their right hand and points with their left hand towards a large red arrow that points from the right side of the image towards the toll plaza. Several orange traffic cones are placed on the road surface. In the background, the toll plaza has green overhead signs with the text '水島' (Mizushima) and '2'. A white car is visible passing through one of the toll lanes.
